Mali kreativci

Ovoga puta mali su kreativci izradivali strip, no ne bilo kakav, već strip u digitalnom obliku. Učenici su koristili program *Storybird* kako bi uredili strip i u oblačiće upisali što njihovi likovi govore. Samostalno su odabrali strip na kojem su željeli raditi, smislili naslov stripa i pokazali svoju kreativnost.

Panel 4: The blue character is shown sleeping peacefully on the ground with a speech bubble saying "KAKO SAM DOBRA U PLAŠENJU.". The background of the comic is a dark night sky with stars and trees.
